Sponsorship Form

Thank you for your efforts to raise funds for The Insurance Charities – your support will make a big difference to those who right now are suffering financial hardship. Please arrange for the details of those kindly sponsoring you to be entered below. Where the sponsor is a UK tax payer and has paid tax during the year amounting to at least the donation being made we can claim back an additional amount from the Inland Revenue at no cost to the donor, if the Gift Aid column is ticked. The form should then be returned to 20 Aldermanbury, London EC2V 7HY with the proceeds raised. Cheques should be made payable to The Insurance Charities.
