

# The Insurance Charities Golf Final

On Monday 26<sup>th</sup> of September, the Insurance Charities held their Golf Final at the prestigious East Sussex National Golf Resort in Uckfield. The event was sponsored by Rainbow International and the players included people from all over the country and from all sectors of the insurance industry. The event started under cloudy skies and light rain but by midday the sun was shining and it made for a very enjoyable day. Wilf Charles and I spent the day following the players around the course offering encouragement and advice (which was not needed). Wilf enjoyed the day so much that he is considering joining the golf club.

The winner on the day was Martin Phillmore who was presented with the Julius Neeve Trophy by Janice Lockyer and Kirsten Watson, the President of the Insurance Charities. The very successful event was organised by Mike Hillier, Diana Webley-Ward and Rachel Mason from the Insurance Charities.

I am sure the event has further raised the Rainbow International profile within the insurance industry and I would like to pass on my thanks to Wilf and Janice for their help and support on the day.

The good work carried out by the Insurance Charities can be found at their website - [www.theinsurancecharities.org.uk](http://www.theinsurancecharities.org.uk)
