

Press Release **the insurance charities**

The insurance charities is delighted to be nominated as a partner charity for the prestigious *Lutine Lineslip Regatta 2009*.

The charity for the UK and Republic of Ireland's insurance industry is delighted to be one of the nominated charities for the Lutine Lineslip Regatta, which is the largest sailing event for the insurance community.

The Insurance Charities, established in 1902, gives vital financial and practical support to past and present employees of the insurance industry, and their dependent relatives, who are suffering financial hardship.

In June 2009, teams from the insurance industry will come together for the 10th staging of the Lutine Lineslip Regatta. The Regatta was established in 1999 and is the largest sailing event for the insurance community. One of the highlights of the regatta will be the impressive gala dinner held in the prestigious Royal Yacht Squadron. The evening will be a chance to celebrate the successes from the days sailing and will feature various fundraising activities with an opportunity for those who work in the industry to find out a little more about the charity.

"We rely on help from within the insurance industry, both in the form of donations and spreading the word and being involved in such an exciting event allows us to raise funds and hopefully raise awareness too," said Marketing Manager Rachel Mason."
